***Online Resources used*:**

a) *Reference:*

- *W3schools.com website*
- *Youtube videos: Link1:https://youtube.com/@csetutorials?si=dZi2ccFe7w2llq9Y, Gemini pro for indepth confusion*

b) *Stackoverflow or github links.*

***Future Enhancements*:**

Following enhancement can be added to the current system which will improve the system.

a) Well the system could be more enhanced by ingesting location

b) We can also build a money managing system where the teen are spending the money like they have to give reasoning to spend money from the saving

c) Each child's academic growth and personal growth report card could realised by each parents

d) Later on we can also integrate this system on android ios or Smart watch
